October 9, 2018

Dear Residents,

Beginning January 1, 2019, Hendersonville Housing Authority will have a new policy on landscaping for HHA areas.

- Residents will no longer be allowed to plant in the flower bed areas at the HHA units.
- The bed areas will be under the control of HHA. HHA may need to remove plantings, grass the area, or mulch.
- All borders and decorations must be removed by January 1, 2019 if you want to keep anything you have currently in the bed areas. Otherwise HHA maintenance will be removing these items.
- Residents may have flower pots, flower boxes, or hanging baskets on porch areas. The number will be limited to 5 total plant containers on each porch area.
- Pending construction and reduced staff has forced HHA to change policies regarding the outside areas.

Hendersonville Housing Authority would like to thank you in advance for your cooperation in this matter.

If you have any questions, you may call the HHA Office at the above number.

Diana Brow
Executive Director
