

Hendersonville Housing Authority considers each of our properties a community and each resident a part of that community. The mission of HHA is to provide safe and affordable housing but it is also up to each resident to be a good neighbor and member of the community by abiding by the lease, all rules and regulations associated with our properties. Residents of Hendersonville Housing Authority are expected to show respect for neighbors and their community. Residents should be able to peacefully enjoy living in their apartments.

If an occurrence or incident were to occur that causes a resident's ability to enjoy their unit or a community concern, HHA takes these concerns seriously. HHA has a formal Resident Complaint Form to address any issues someone may want HHA to investigate. The form can be accessed by clicking on Resident Complaint Form from the website or picked up at the HHA Office.

Please remember that if you witness a crime or feel threatened, please do not notify the HHA Office and call 911 directly.

Safe communities for families is a propriety for Hendersonville Housing Authority.
